# Important Information for Vendors

## Table Reservation Policy

1. Tables will not be reserved without payment.
2. Payment is accepted in the form of cash, check, or money order only.
3. Table cost is \$2.00 per linear foot. Tables at the CID Train Show in Danville are 8 feet long and cost \$16.00 each for the North/South and Power Expo Halls. \$12.00 each for the 6' 2 rail O & S scale room tables.
4. When all tables are sold, the show manager will keep a waiting list. If there is a cancellation, the show manager will contact the name at the top of the waiting list.
5. Be aware that the shows may sell out quickly, so reserve early.

## Table Refund Policy

1. Cancellation of tables must be made **seven (7) days** prior to a show for a table fee to be refunded. Table fees will not be refunded after that time.
2. Facilities are open despite weather conditions. The only reason a show would be cancelled is if there was emergency declared or due to COVID-19 pandemic conditions. No refunds can be made if a dealer is unable to make the show due to weather. Table fee refunds will only be made if the CID receives a refund from the show facility for the cost of the venue.

## Show Setup and Take Down

1. Buildings will be open for vendor set-up from 3 to 6 PM on the Friday before the show and 7 to 10 AM the morning of the show.
2. Vendors must check in at the CID table in the Hendricks Power Exhibition Hall to get your table location and vendor wrist bands.
3. Vendor's name will be placed on their assigned tables.
4. Vendors are not allowed to place items in the aisle ways. All goods must be on top of, or underneath tables. You are paying for table space only.
5. In fairness to those people who expect the train show to be open until 3:00pm, the CID asks vendors to wait until 3:00 pm before packing up their items. Thank you!
6. All vendors are expected to be packed up and **out of the exhibit halls by 5:00 pm.**
