Important Information for Vendors

CID Train Shows

Table Reservation Policy

1. Tables will not be reserved without payment.
2. Payment is accepted in the form of cash, check, or money order only.
3. Table cost is \$2.00 per linear foot. Tables at CID Train Shows in Danville, Lebanon and Franklin are 8 feet long and cost \$16.00 each. Six foot tables in the special O and S Scale two-rail Sales and Display Room at the Danville Show are \$12.
4. When all tables are sold, each show manager will keep a waiting list. If there is a cancellation, the show manager will contact the name at the top of the waiting list.
5. Be aware that the shows may sell out quickly, so reserve early.

Table Refund Policy

1. Cancellation of tables must be made **seven (7) days** prior to a show for a table fee to be refunded. Table fees will not be refunded after that time.
2. Facilities are open despite weather conditions. The only reason a show would be cancelled is if there was emergency declared or due to COVID-19 pandemic conditions. No refunds can be made if a dealer is unable to make the show due to weather. Table fee refunds will only be made if the CID receives a refund from the show facility for the cost of the venue.

Show Setup and Take Down

1. Buildings will be open from 7:00am to 10:00am for vendor set-up the morning of the shows.

Floor plans with locations of vendor tables will be available at entry doors and other locations.

Note: The Danville Train Show also provides set-up hours the day before the show from 3 pm to 6 pm.

2. Vendor's name will be placed on their assigned tables.
3. Vendors are not allowed to place items in the aisle ways. All goods must be on top of, or underneath tables. You are paying for table space only.
4. In fairness to those people who expect the train show to be open until 3:00pm, the CID asks vendors to wait until 3:00 pm before packing up their items. Thank you!
